New Website Now Ordering is Easier!

Hurray, our new web site is up and ready to be viewed! We have hopefully made some nice improvements. Please let us know if you find any errors so that we can fix them as soon as possible. You will find a "What's New" area where we will feature the newest patterns, books and collections. You will also find an [photo gallery](#), where we will post pictures of our events.

Those of you who have a wholesale account will be very pleased to know that we have a wholesale login available so that you can now purchase many of the items online. If you find something you are interested in and it is not listed through the wholesale page, please notify us so that we can help with your requests.

Retreat News

The last few months have been busy and very exciting. We have just completed our annual retreat, and I want to thank everyone who was able to attend this year. It was wonderful to meet new friends from all over the United States and Canada. They all made the event a great success. Also we would like to thank the Temecula Viking Gallery Store for providing machines and the amazing help throughout the week. If you are interested in attending one of our retreats next year, please let us know so that we can add you to our interest list. You can email Andi Stout (Executive Director) at andi@michelles-designs.com.

Here we all are smiling after three full days of sewing!

America Sews

I have just returned from a quick trip to Cleveland, Ohio, to tape America Sews with Sue Hausmann. It was such a wonderful experience. The show is sponsored by Robison-Anton Thread Company. The show featured a new project and the new box of Michelle's Victorian Romance Thread. The program will air in November 2008 and we will be sure to notify you with the exact date.

Texas Trips

We will be leaving for two weeks starting June 14. Our trip will take us to 2 different events in Texas. Please check the [calender](#) on the website to get all the details. We will be adding many more events and trips during the year.

Crafter's Collection

I am proud to announce that there is now available an exclusive Michelle's Designs #862 Crafter's Collection of designs by OESD. These designs can be found at your local sewing store that carries OESD products. Ask your store for all the details. This collection features 59 rose designs that include butterflies, scallops, 9 buttonholes, hearts, borders, single roses, corners, etc. I know you will just love them. This collection is perfect for linens, clothing and home decor.

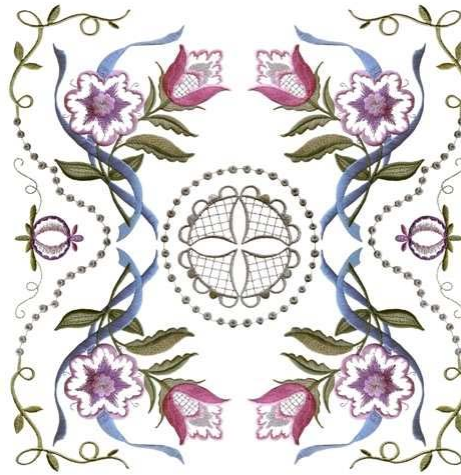

New Releases

We are pleased to announce the release of a special set of embroidery designs, **A Garden for Bella**. I was asked by several of the sewing machine companies to create designs for their extra, extra large hoops. This design set has six of these designs that can be embroidered in one hooping. It is a great set for everyone. It includes 17 designs for 4" x 4" hoops and 15 designs for 5" x 7" hoops. For those of you who do not have these new large hoops, you can create large designs by combining several of the smaller designs and using multiple hoopings.

These designs were inspired by wallpaper that I had in my bedroom several years ago. It had beautiful ribbon intertwined throughout the

flowers and leaves.

You asked for it and it's finally here! The [Simply Chic Carryall](#) is a fun carryall that puts all your sewing or crafting supplies right at your fingertips! Zippered clear pockets make finding the right accessory easy and plenty of pockets keep everything organized. I know you will love creating your own carryall with the illustrated, easy-to-follow directions. [Look at the bottom of this page for the bags our test sewers made.](#) They are all different and unique!
