

It is time to plan our annual retreat and to save the date! Please join us to celebrate our **5th Annual event**. We will kick off the first day with a Tea Luncheon. You will be creating several projects that include learning the art of Silk Ribbon Embroidery by Machine and of course many other sewing techniques. The first project will be a beautiful fully-lined mahogany wood box with brass feet that is embellished with ribbon embroidery, machine embroidery and crystals. This will be a real keepsake! The second project will be a hand-crafted portfolio/journal with inside pockets, scallops, machine embroidery and ribbon embroidery by machine. Also included with this project will be stationery to coordinate with the notebook. The third project is an 18" bear with a silk fabric tummy, cute checked fabric for her ears, floral fabric for her back and arms, etc. and adorable embroidery and more! All 3 of these items have been designed just for you!

We will also have fabrics for sale that match all of your creations that you will be making at our event. This retreat will include all of your meals too!

Breakfast, Lunch and Dinners!

Please mark your calendars. We will be announcing more details soon and will also have the registration forms up shortly as well as photos of each project.
